

U.P. Labor Hall of Fame Recommendation Form

Guidelines for Presentations

We are looking for a unionist:

- Who made or continues to make an outstanding and enduring contribution as an organizer, officer, representative or activist.
- Who has motivated others and made a lasting difference for fellow workers.
- Who actively participated in community service and/or political events.

We recognize that there are many activists who have worked hard within their Local Unions to make a difference in the Labor Movement. The U.P. Labor Hall of Fame recognizes those who are outstanding activists who make a difference beyond their Local Union. We know there are individuals deserving of this honor and are hopeful that nominations and supporting information will be submitted for consideration.

Recognition can be made posthumously. The U.P. Hall of Fame Committee will contact family members to accept the award in memory of the recipient.

I recommend _____ for admission to the Upper Peninsula Labor Hall of Fame.

Attach examples and documentation of contributions or outstanding service in each of the three categories listed above. Include organization(s), years of activity and notable accomplishments (attach additional page if necessary).

Attach any additional information (official documentation, awards, newspaper articles, etc.) that you would like the committee to consider.
